

Revive

36% recycled silk, 36% recycled cotton, 28% recycled viscose
9802122 10 x 50g balls per pack, approx 125m (137yds) per ball * New Shade SS 2011

Recycling is becoming increasingly important in a world coming to terms with the challenges of environmental, economic and climatic change. Rowan Purelife Revive is made from used garments which have been selected according to the Silk, Cotton and Viscose content. These are then carded to make regenerated fibre, which is then spun into this beautiful, high quality yarn, which gives life to new hand knitting designs.

Organic Cotton

100% organic cotton

4ply Naturally Dyed - 9802114 - 10 x 50g balls per pack, approx 165m (180yds) per ball
DK Naturally Dyed - 9802107 - 10 x 50g balls per pack, approx 120m (131yds) per ball

Our organic cotton is fully **certified by bioRe (www.remei.ch)** and is dyed with sustainable natural dyes, due to their nature some shade variation will simply add to the yarn's unique inherent beauty. To ensure the longevity of your yarn please avoid prolonged exposure to direct sunlight and follow the recommended wash care instructions on Ballband. These natural variations do not in any way affect the quality or efficiency of the product.
